

# Coming to Your Neighbourhood 737 Jetliners!

The Nanaimo Airport Commission is currently in the process of securing grant funding to expand the airport runway to accommodate 737 jetliners.

Nanaimo airport expansion will have a significant impact on the quality of life in the surrounding communities. Consider lower property values, noise pollution, and the environmental consequences; the Nanaimo airport sits on top of the Cassidy Aquifer and is within the Agricultural Land Reserve.

There has been no community consultation, nor is there any airport expansion information available to the public.

We urge you to attend the upcoming Regional District of Nanaimo board of Directors meeting where the future of airport expansion will be decided. Your attendance can make a difference.

When: Tuesday May 22

Time: 7:00 pm

Place: RDN Board Chambers  
RDN Building at 6300 Hammond Bay Road

For more information, please telephone 754-4520.
